

MOSSBACK

Russian River Valley

Robert Parker's
Wine Advocate

#196 August 2011

2009 Mossback Chardonnay (80% stainless steel and 20% barrel-fermented). It exhibits *opulent orange marmalade and lemon rind notes intertwined with a faint hint of wood spice. Medium-bodied, fresh and lively with loads of fruit, it should be enjoyed over the next year.*

points

2009 Mossback Chardonnay, Russian River
Bright, fresh and fruit-driven with tangy acidity and ripe creamy apple and citrus fruit; lush and rich, rounded and balanced; long finish.
